

Free Music Resource

Posted by Eric Matyas - 29 Sep 2015 09:01

Hi everyone,

I've got a site up with free music for films, games and other media:

soundimage.org/

It's all original music...all my own stuff. All I ask is to be credited as indicated on my homepage.

I sincerely hope my tracks are helpful. Any and all feedback is welcome and always appreciated.

All the best,

Eric
