

502 Bad Gateway

Posted by hugly - 20 Jan 2019 13:53

Since a few hours, when switching from a discussion to "Recent Topics" or "Forum" on top of this page, I see every now and then "502 Bad Gateway":

Anyone else?

Here also.

But maybe only the line to Germany is disturbed?

Greetings from Hollywood! (Or the Los Angeles area, anyway.)

Yes, I'm experiencing the 502 Bad Gateway issue, as well.

Hope everyone has a terrific 2019!

Scott

Hi all,

These intermittent outages were caused by service problems at our hosting company and should be back to normal now.

With thanks,

Peter
