

My YT Channel

Posted by Got cardboard? - 10 Jul 2020 17:37

First off, thank you for the amazing software! SO far, all my Youtube videos have been made with it, and it's about time that I posted some of my work here. 😊

Intro to my Channel:

A video of mine (cardboard combination lock):

Love them. Although I'm not so sure about the security of a cardboard lock...

Thanks! Of course, I doubt the lock would hold up to much, but it was still fun to create and play around with. 😊
