

## Where is the road map?

Posted by vCat - 29 Aug 2014 17:36

---

I cannot find the roadmap on lwks.com. where is it?

It's in FAQ:

&quot;Once the Linux and Mac versions are released the source code of Lightworks will become available. We cannot give a date when this will happen, but announcements and updates will be regularly posted on the Lightworks Forum.&quot;
