

In Your Head (movie about an online racing simulator)

Posted by JensOh - 13 Oct 2014 09:20

Hello,

I got my hands on this awesome piece of software a few weeks ago. To learn working with Lightworks 12, I made the movie "In Your Head" about an online racing simulator.

Anybody who is interested can download the movie here (2:37 min, 720p, 107 MB):

www34.zippyshare.com/v/97875936/file.html

(I don't have it on youtube or any other streaming page)
